

Accommodations For Bach Flower Classes

No special room rate has been contracted for the hotels recommended, although they are the most cost effective locally, and minutes from the Ahhhjusting To Life office.

I have been using the essences for 30+ yrs personally and professionally. I am consistently amazed at how far reaching the flowers are. Choosing to draw upon this well spring of botanical intelligence can greatly improve any healing outcome.

**— Dr. Lauren Nappen,
Program Educator, BIEP
Teacher**
